SANTEE, CALIFORNIA
COVER DESIGNED BY
TERESA TILSON*

Is it gone, the time
we were together?
Are they gone, the hours
we lived together?
Are they gone, the moments
that we shared as one?

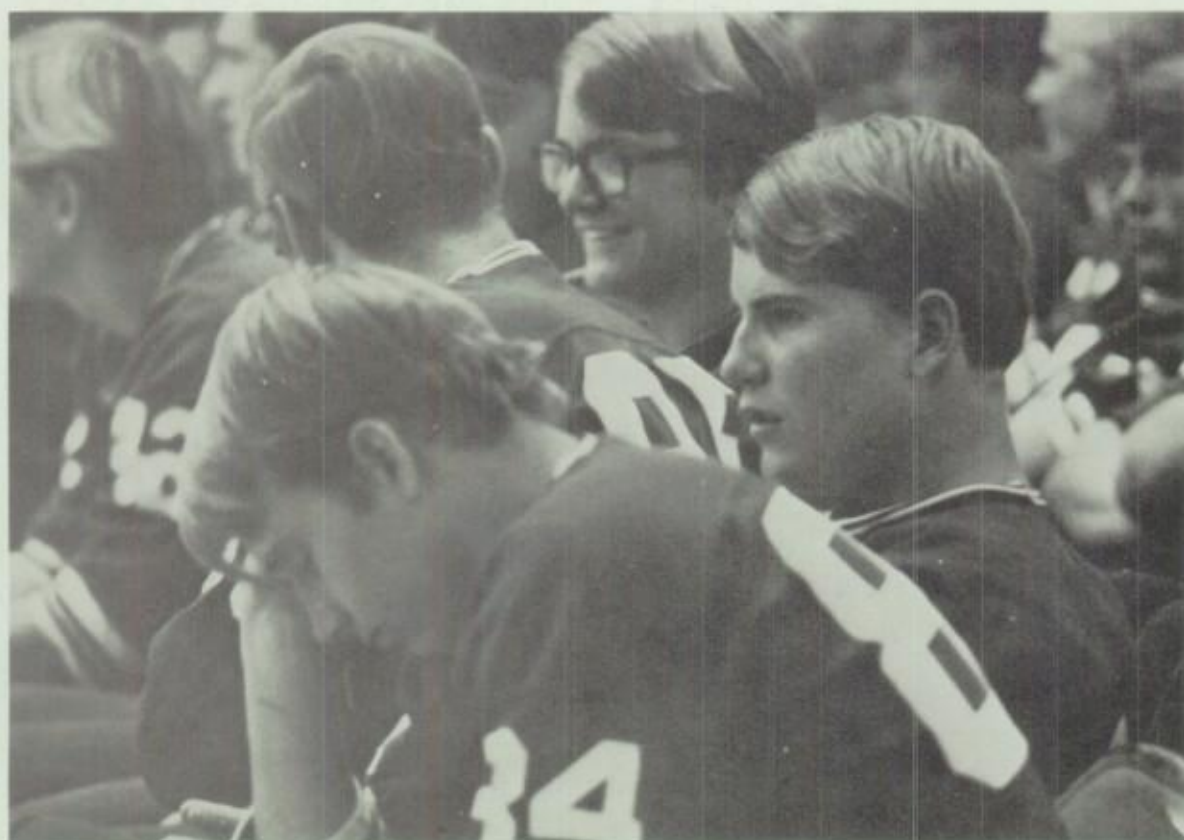

Time has passed,
and we have passed with it;
but the remembrance lingers,
and the image which it sets
is strong, visual and dynamic.

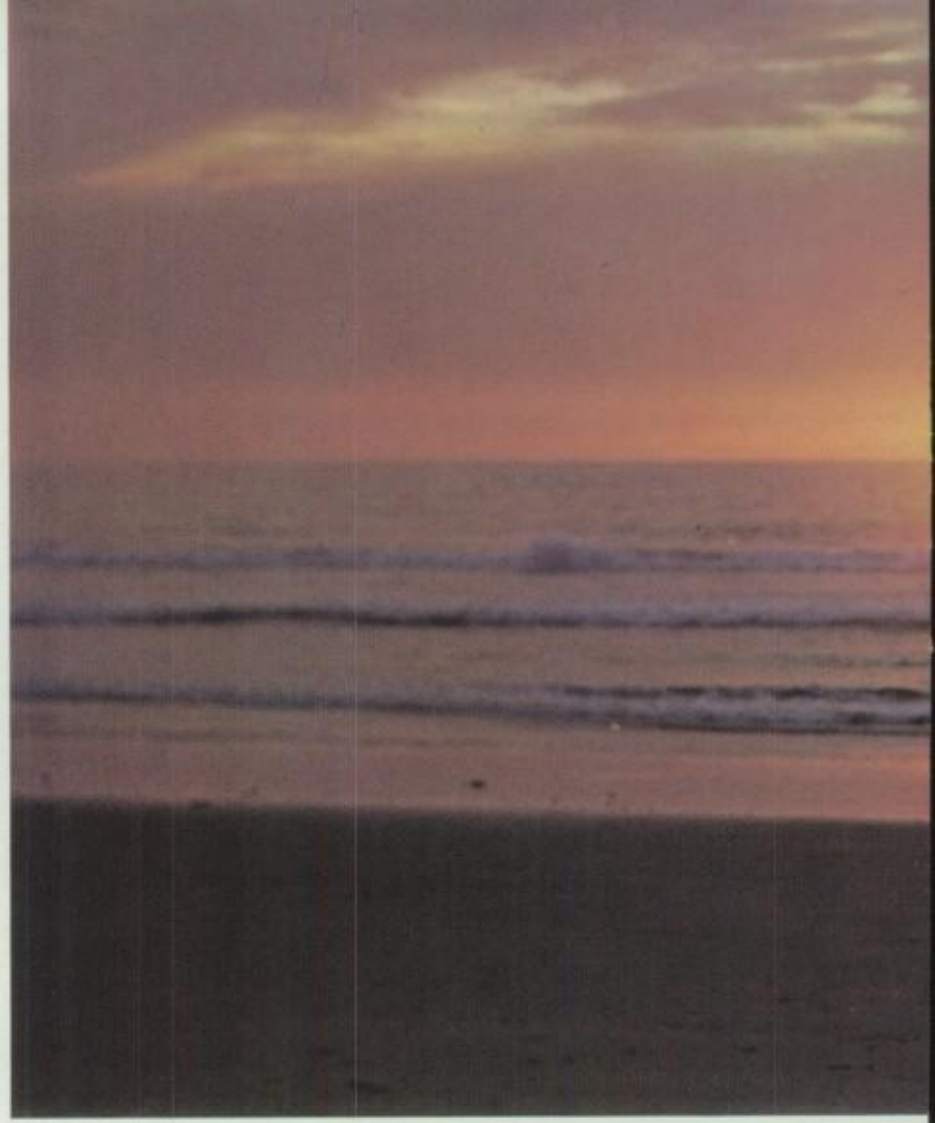

Have they gone, the moments
when we were as one?
Have they gone, the hours
we created?
Have they gone, the moments
when we were entwined?

Today we will have been
in the past;
we will have been
what we were.
Who were you?
When was I?
Were we ever?

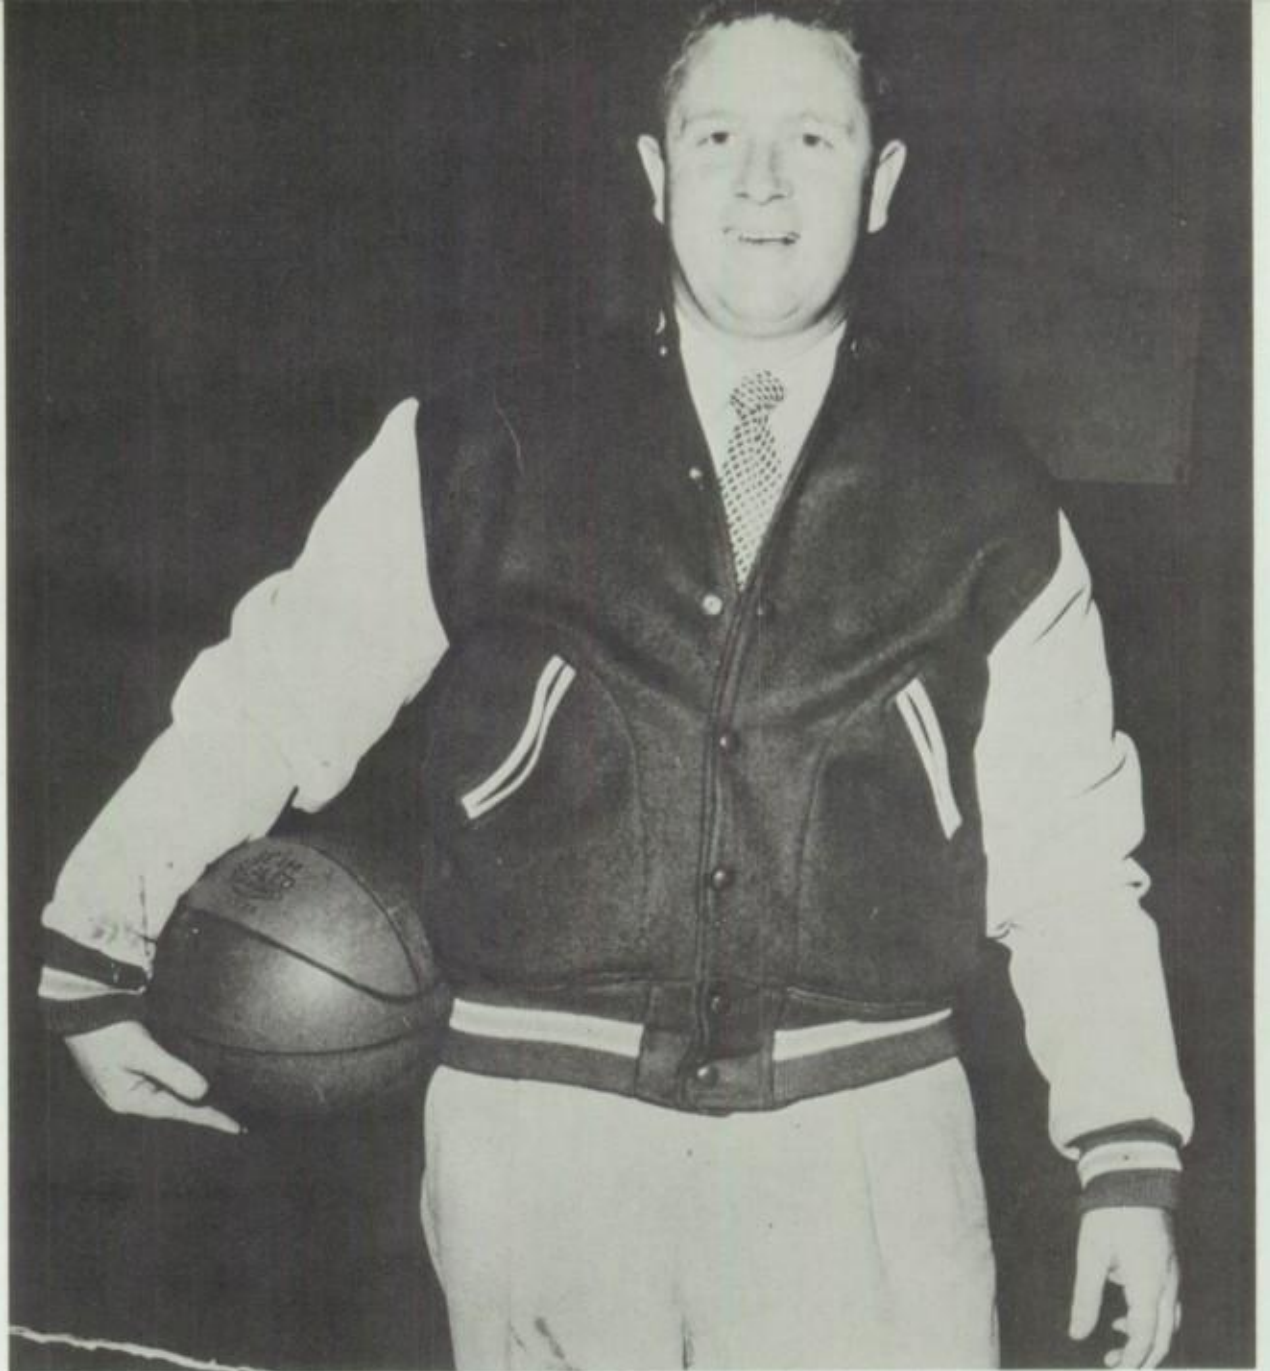

Will it have gone, the time?
Will we have been?
Will the hours
have disappeared?
Will the moments disintegrate
into a mere mention in a letter?

Will we think
of what we were,
when we were,
how we were?
Will we ever enjoy
what we could,
what we would?
Will we remember
those IMAGES OF OURS?
Will we . . .
will we remember?

As a coach, teacher, counselor, and principal, Mr. Spencer devoted his life to young people.

"He will be fondly remembered for his ability to make us laugh. He had the skill of a Will Rogers in teaching us through humor."

Mr. Spencer actively participated with students as our "Sultan" mascot.

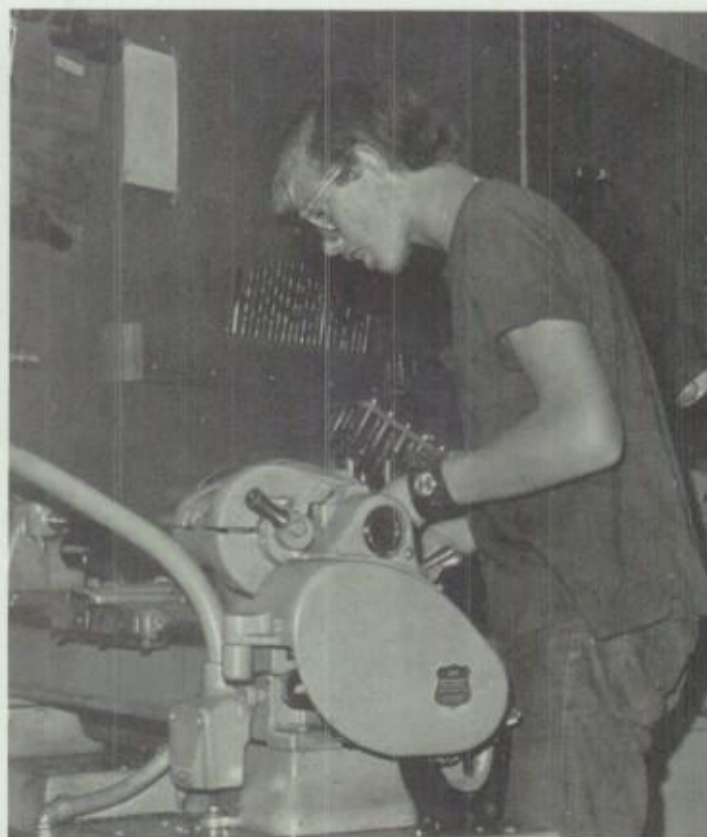

Santana's Image Is The Measure Of A Man

Robert M. Spencer

Robert Spencer served Marshall High School as its Student Body President.

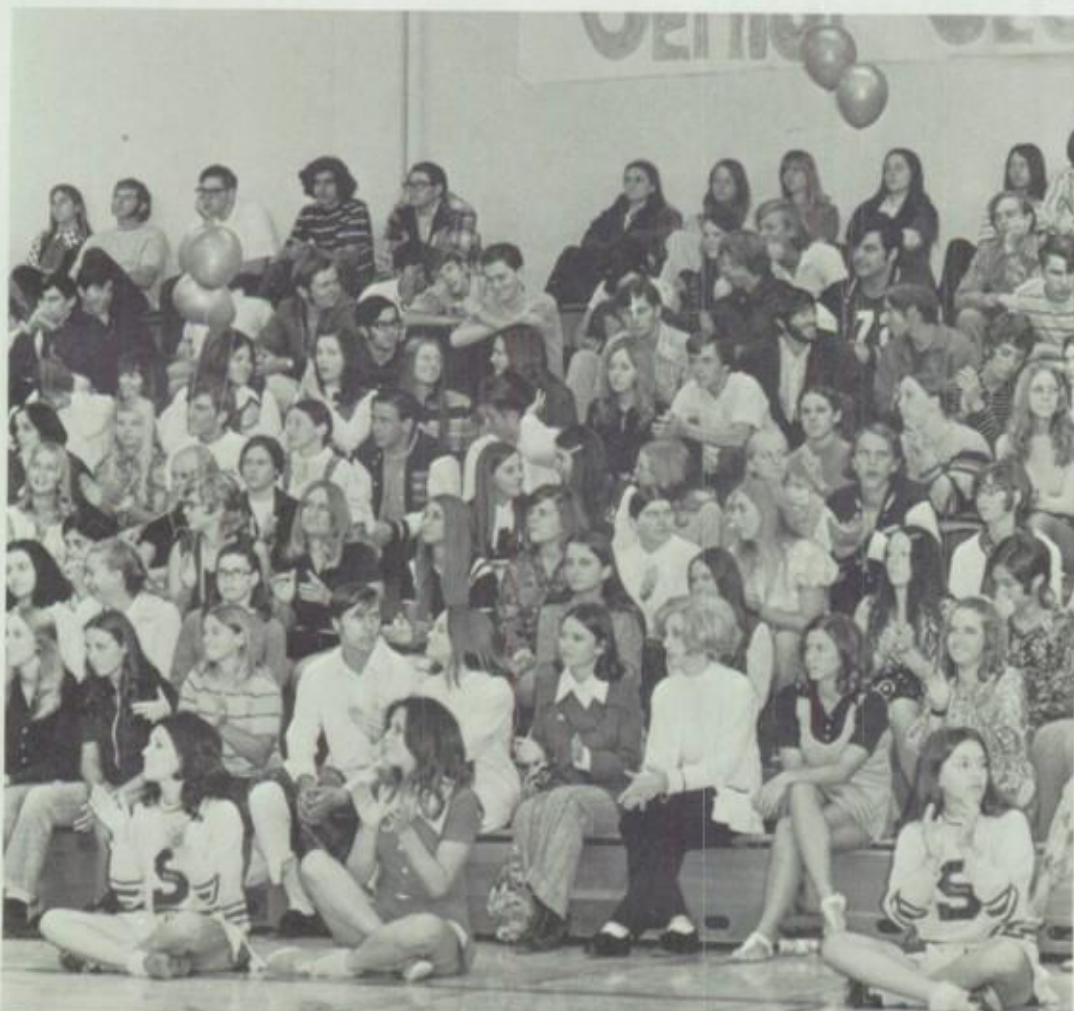

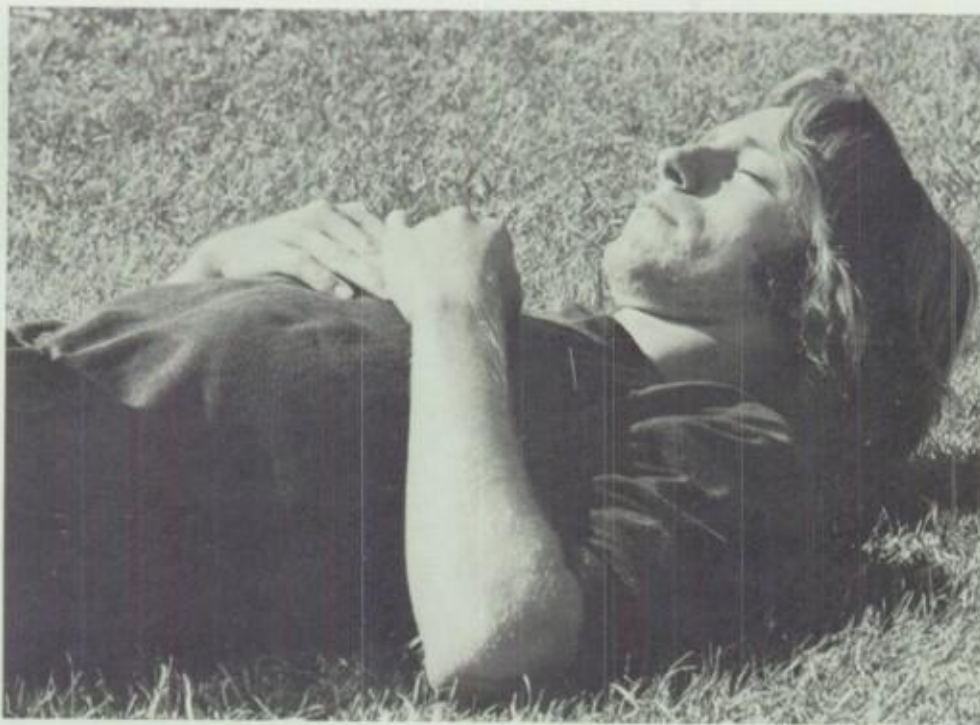

Mr. Spencer supervised the development of our Vo-Tech departments.

Not-"how did he die?"
But-"how did he live?"

Not-"what did he gain?"
But-"what did he give?"

These are the units
To measure the worth
Of a man, as a man
Regardless of birth

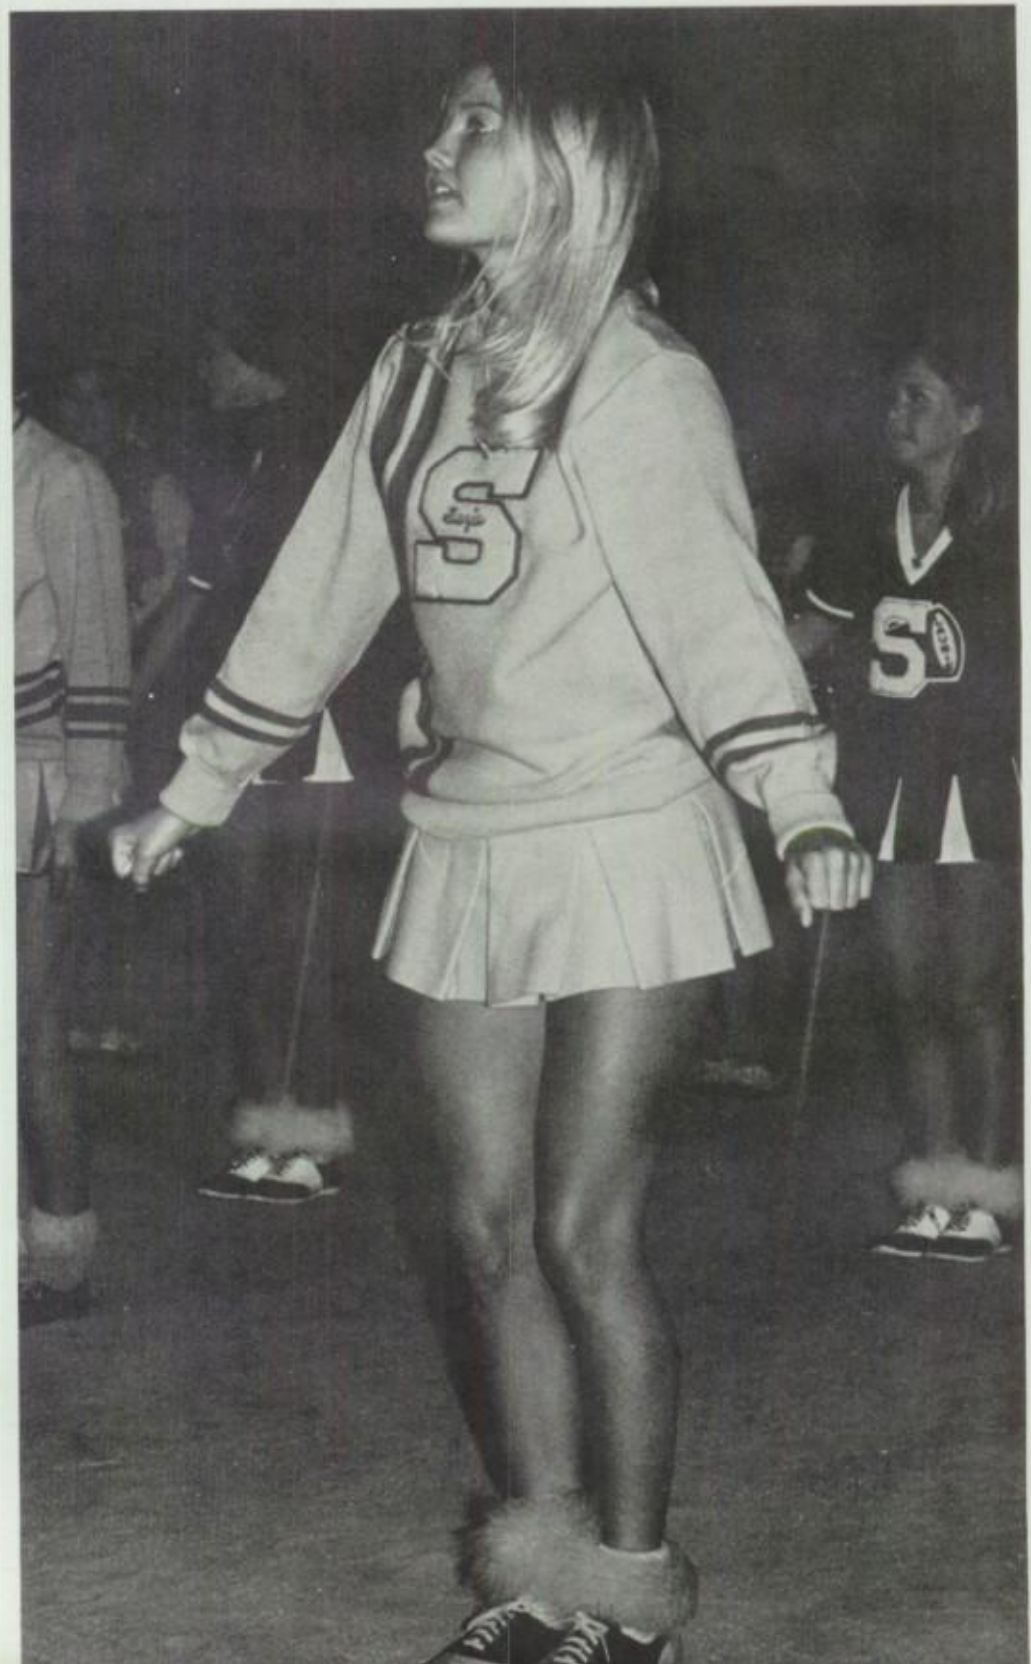

Sunrise doesn't last all morning,
A cloudburst doesn't last all day
It's not always going to be this grey.
All things must pass,
All things must pass away.

Harlem Clowns Come To Town

Nice referee!

Talley-Ho-o-o

Now just aim the ball up!

The kid learns fast.

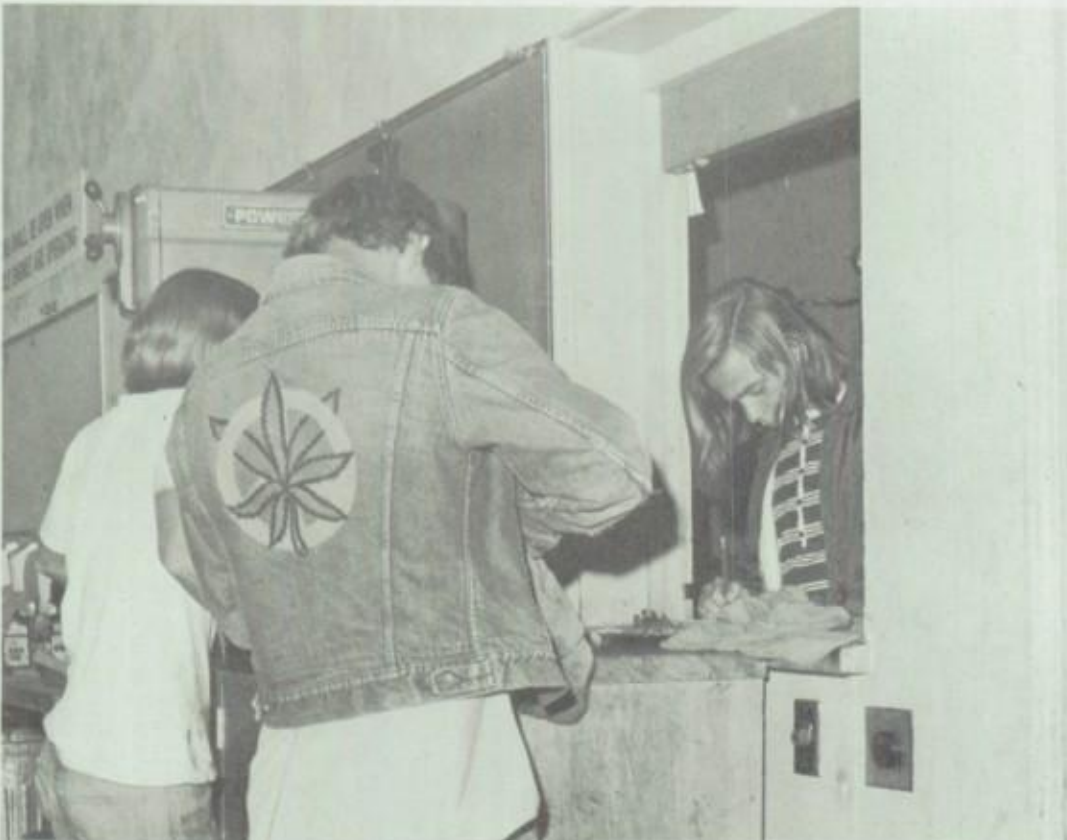

This sure doesn't look like push-ups!

I know it's in there somewhere.

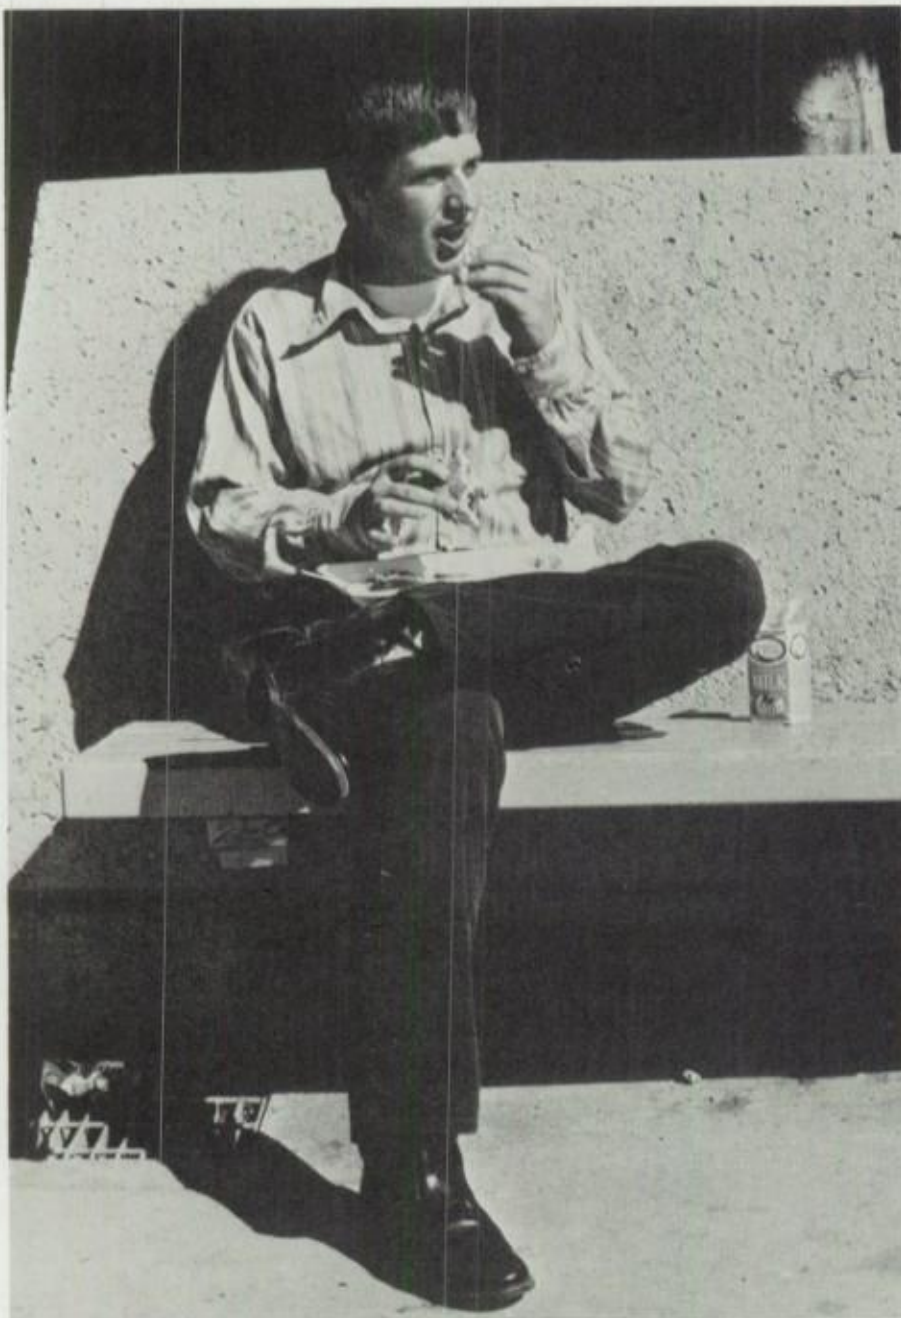

I'll take 2 tractors . . .

I hope the game is more exciting than this!

I could of sworn I painted it!

Diet, me?

Sultans always seem to find time for lunch even with double session.

Either sign this or the strike is on!

Hello, hello, somebody help me!

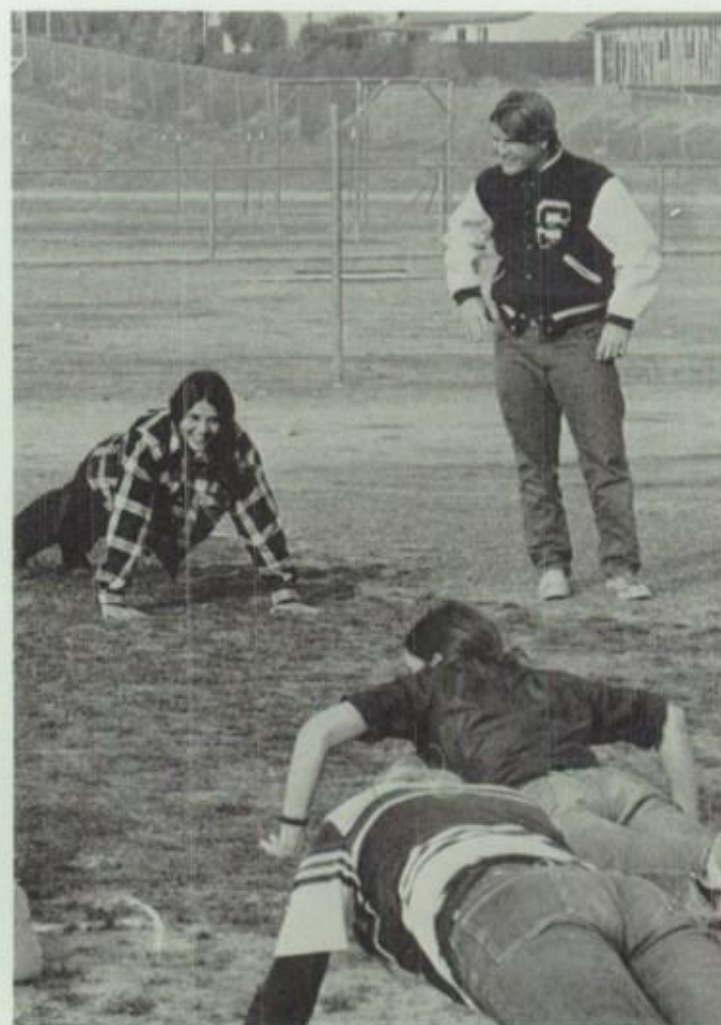

A supporting fan of the freshman team.

Images of Sultans

Coach Saska at work.

Could these be ditchers?

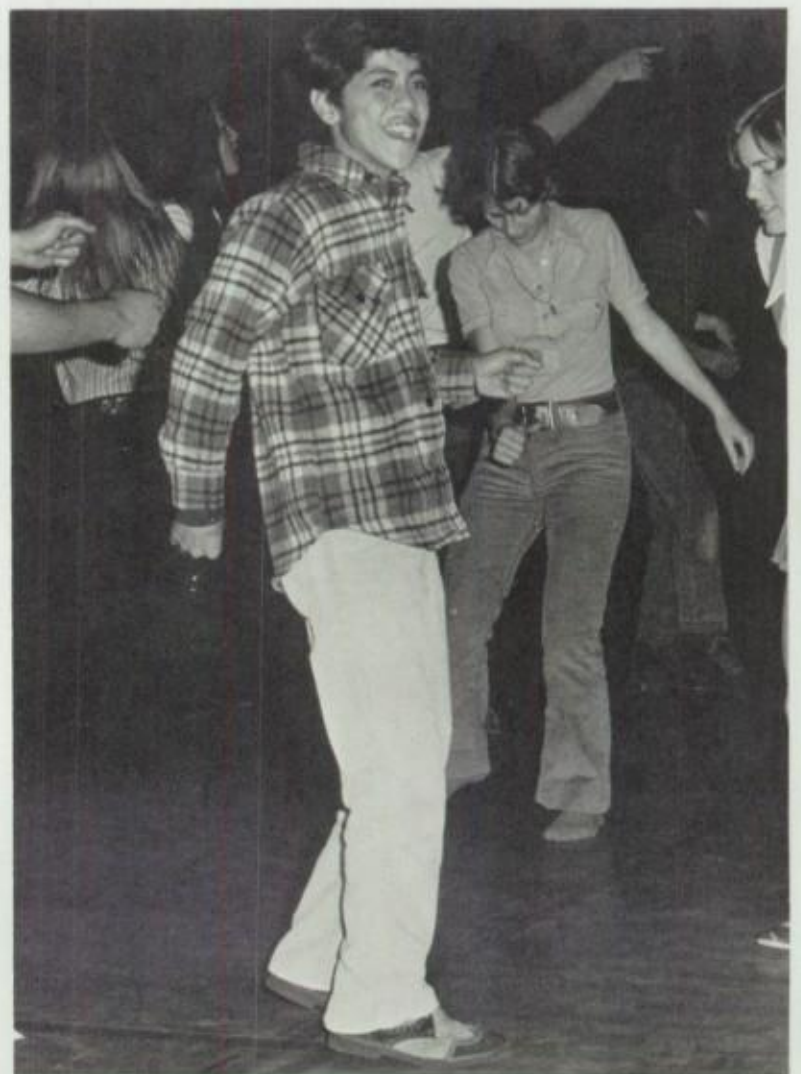

Me, ice skate!

Down, set . . .

Could this be Elvis P. Jr?

Wait till you see my double step!

Where's the help?

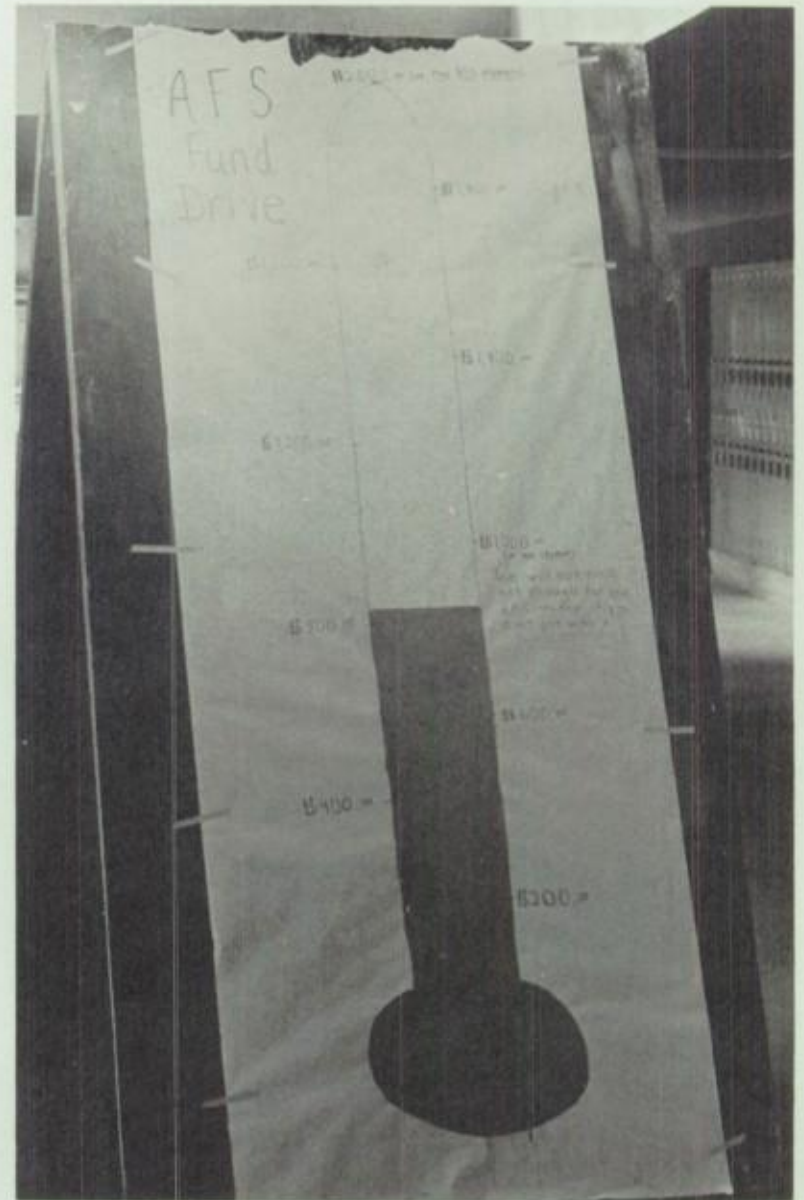

Gerald and Jack meet a new friend.

A.F.S.

Jack plays us a tune.

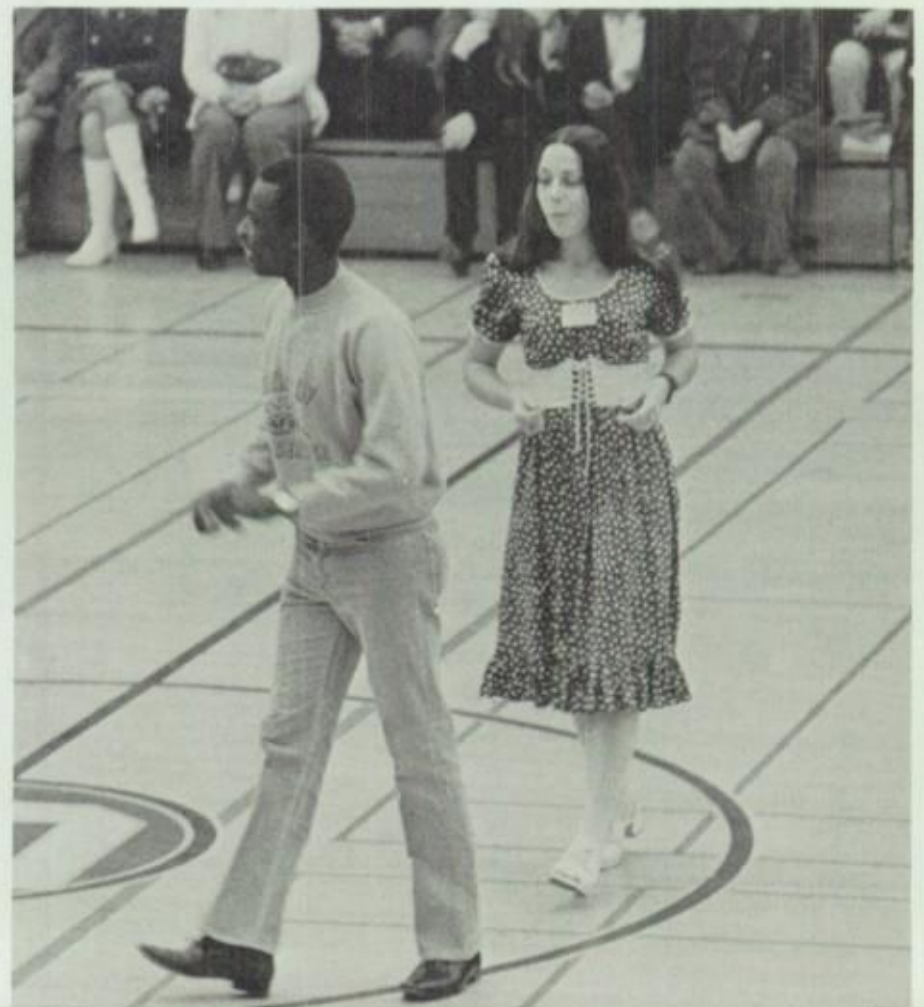

A.F.S. students with their countries flag.

Sultans strive for another A.F.S. student.

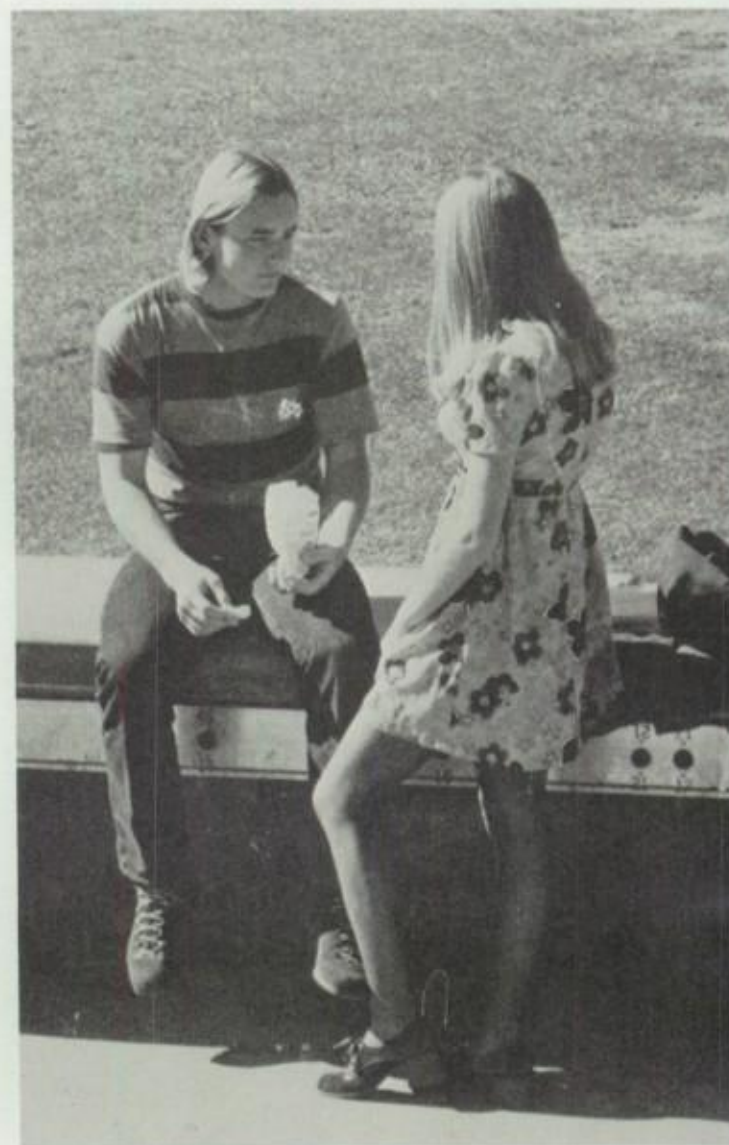

One, two, cha-cha-cha!

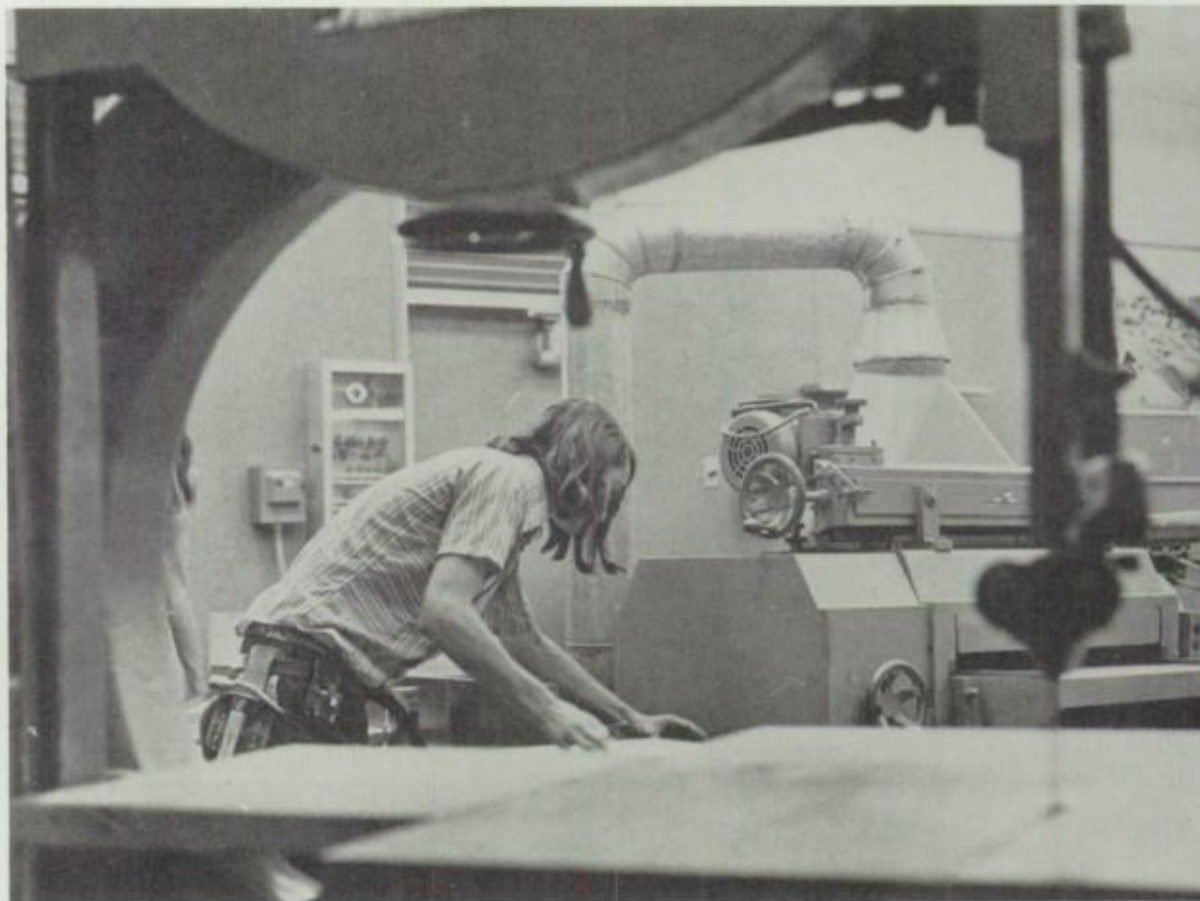

A cool place to study.

Togetherness.

I wonder what he bought me?

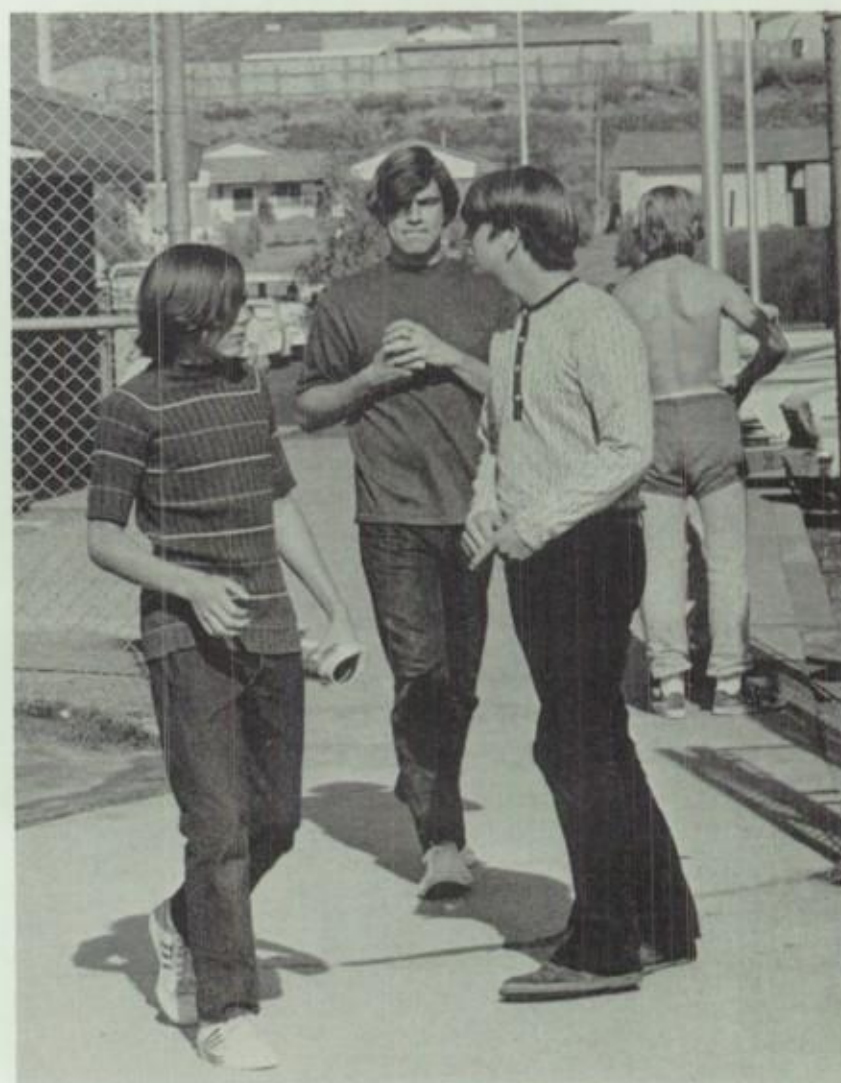

What's going on in there?

Freshmen take it easy at the game.

O.K., you look for coach while I leave.

They'd better use some suntan lotion!

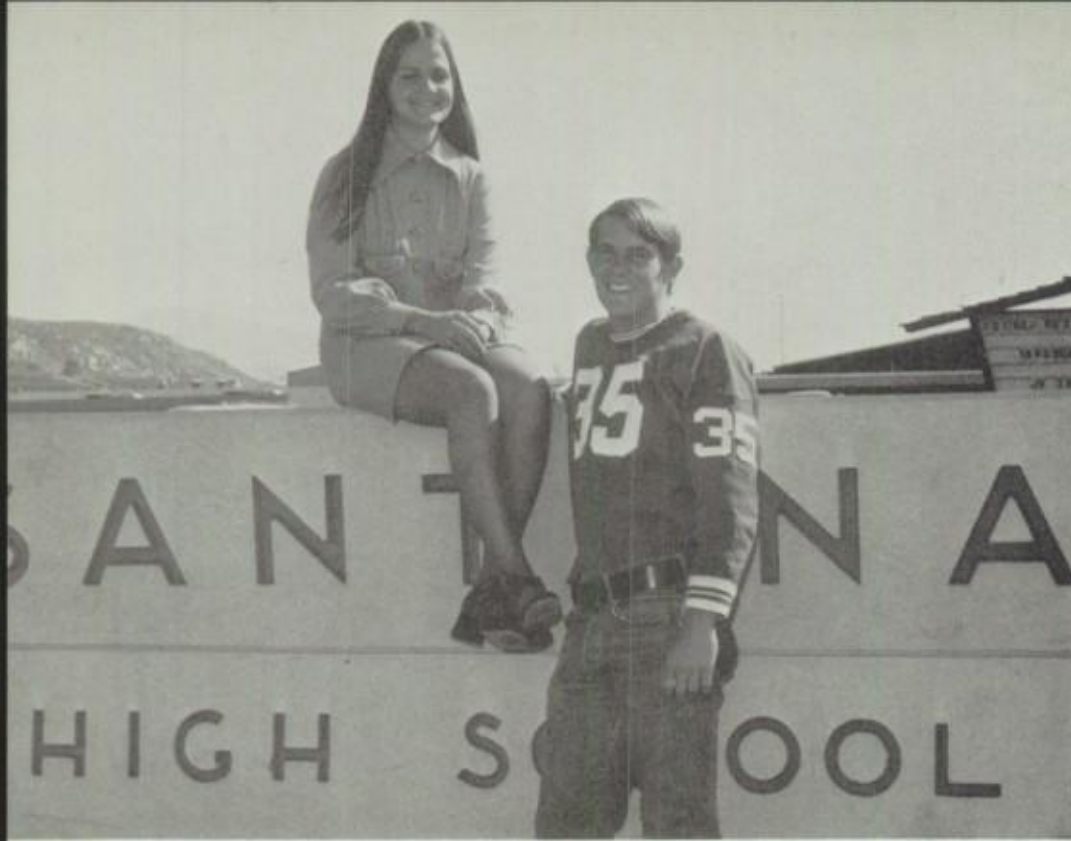

Up, (umph), one .

Santana provides much more than just the "3Rs" for its more than 2200 students. Sultans have to be fed, bussed, and cared for in many different ways by many concerned and skilled people. The varsity team began the season well by defeating San Dieguito and Morse. However, due to injuries and the fact that they were a young team, they finished eighth in league play. Although there were many outstanding players, it took a team effort to produce victories. With next year's returning players, and a fine coaching staff, the team should look forward to a very successful season.

This year Santana's Junior Varsity won two games and tied one. The coaches felt that at times the team worked as a whole and because of it played some fine games. A few individuals really came through and with a little more talent, the team could have gone all the way.

A losing season shows a team their weak areas as well as their strong ones and the improvement of both promises a successful '72.

Frosh Strive To Improve

The Freshman squad of '71 finished this season with a 3-6 record. The team tried to accomplish excellence, and that it did. Although that excellence was inconsistent, the effort and inspiration was very consistent.

One of the purposes of a Frosh team is to condition itself for the next three years. The squad improved greatly and many of the players will be on the '72 J.V. and Varsity line-ups.

Water Polo Shows High Enthusiasm

Although Santana's first season in water polo could not be considered successful with regard to the won and lost record, it was a start, and the enthusiasm ran high. The varsity will lose only three seniors, and the returnees will come back with a year's experience and a real desire to improve.

Action Provided By

Fast Moving Varsity

Geoff Hinkle- Senior (Guard) Geoff is most definitely the best all-around guard ever to play at Santana. He has the second leading scoring percentage in the league. As the team captain he has led the team in every possible way. Geoff broke the 1966 record for most points scored in a game, (41). It will be hard to replace Geoff's great ability next year.

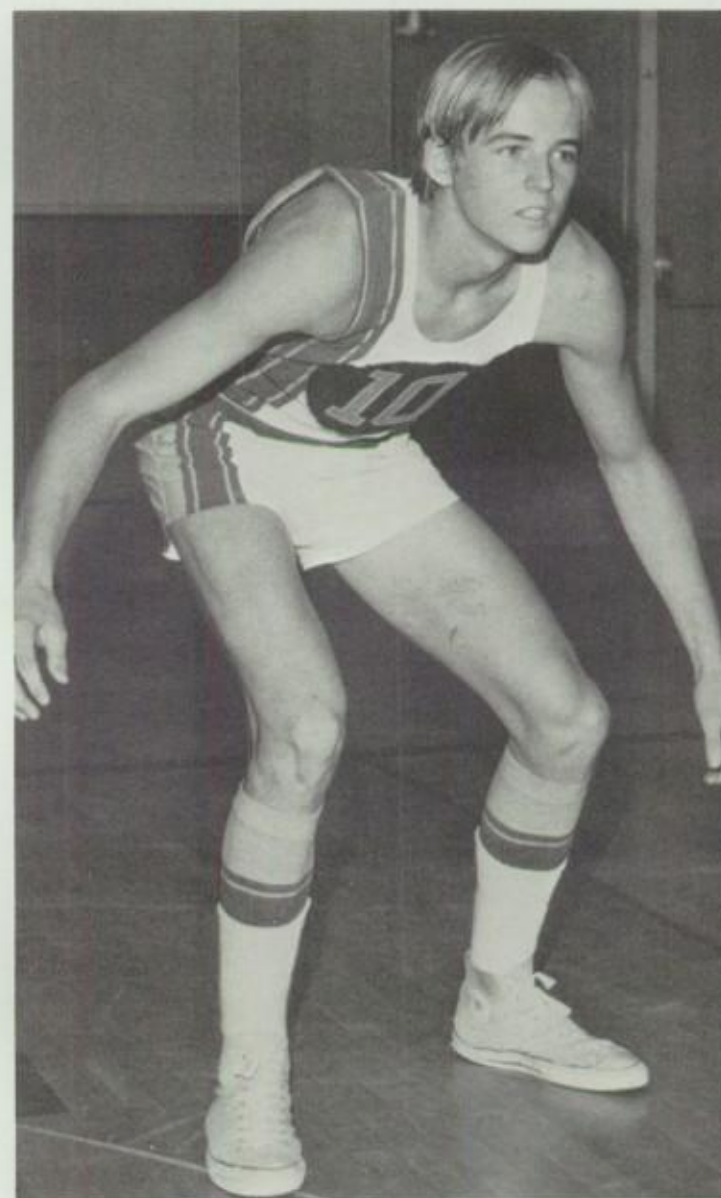

Mike Dettinger- Mike came up from the Junior Varsity to provide this year's squad with good size and spirit. Mike will be next year's "big" man.

John Huffman- Senior (Guard) This is John's second year on the varsity squad. John has a great outside shot. He is probably the finest shooter on this year's team.

Brett shows great form as he goes up for two.

Brett Hiltcher- Junior (Forward) Brett was the team's most inspirational ball player. This year Brett did a fine job defensively and will be quite an asset to the varsity team next year.

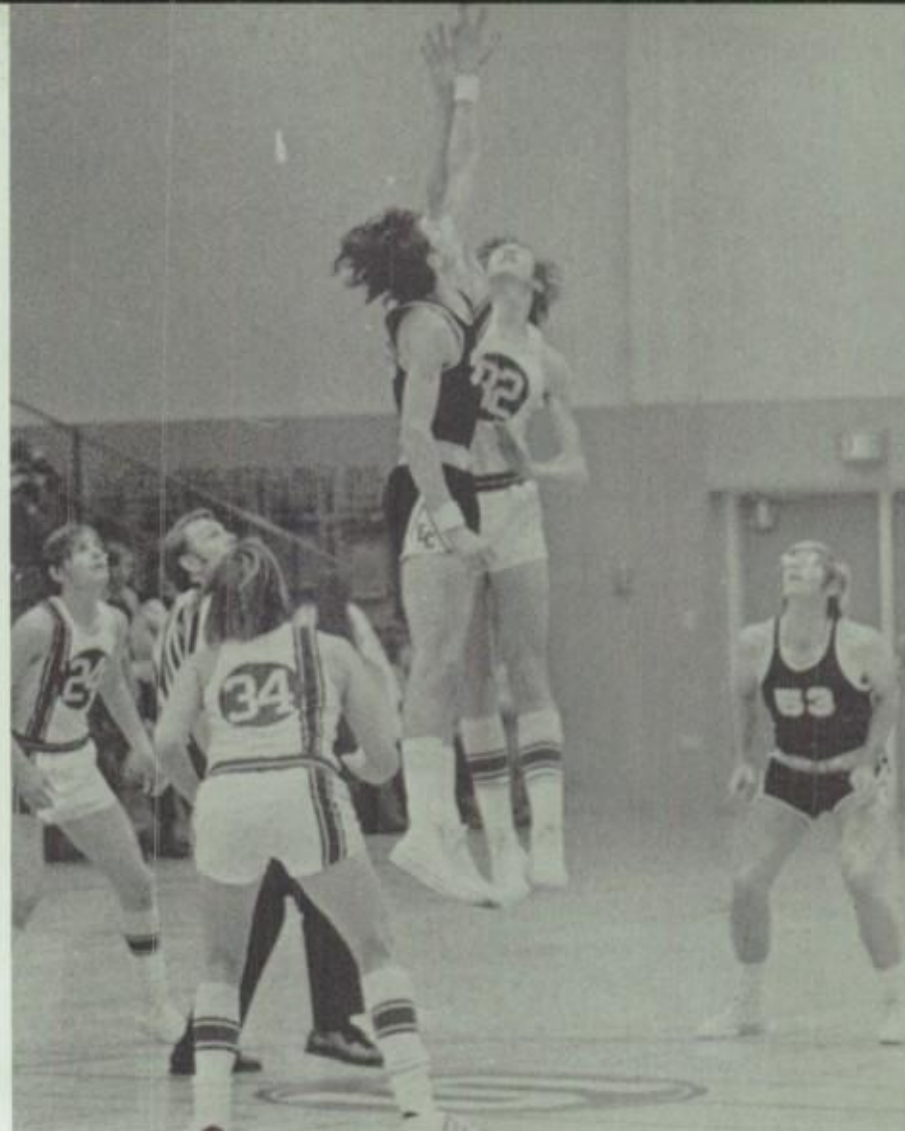

Mike and Pat express frustration in a fast moving game.

Henry Arviso- Senior (Forward) Henry has had great success shooting both inside and out. As a very aggressive defensive player he does well anywhere on the court. His fine shooting and strong rebounding has proven to be one of the best forwards in the Grossmont League.

Bob Kurtz- Senior (Center) As Bob's first year on the varsity squad he developed into a fine shooter and rebounder. One of the smaller centers in our league, Bob, was still the squad's "big" man.

Bob jumps high to get the ball to the Sultans.

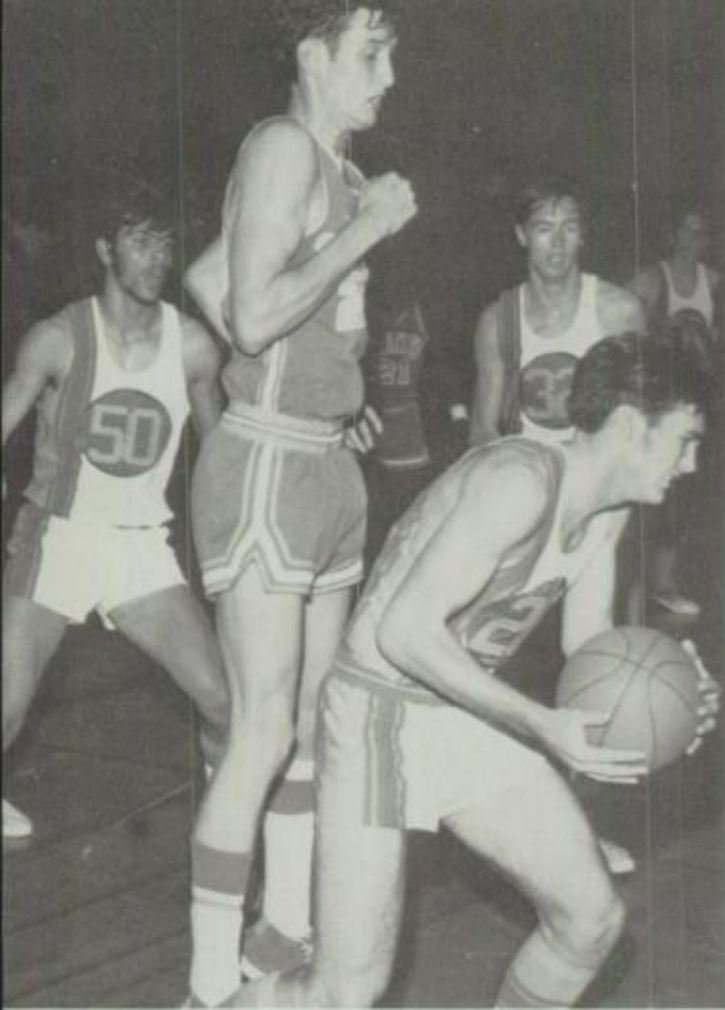

Tony Blasko- Senior (Guard) Tony is a very good defensive player. He was the team's "swing-man" and what he lacked in size he made up for in ability. Tony is one of the league's best drivers.

Mike Benson- Senior (Center) Mike with his center play has developed into a strong competitor. Also a very good rebounder, Mike, is the team's most improved ball player.

Pat Guziak- Senior (Guard) One of our best ball handlers, Pat, has done a fine job on defense this year. He has always drawn the opponents best guard as his defensive assignment.

The Saints are helpless against Pat's quick ballhandling.

Tony makes an easy lay-up for two.

Doug West- Senior (Guard) Hustle was Doug's middle name this year. He played behind Pat and Jeff to finish off the Sultan's great drives.

Mike and Henry wait for Grossmont's rebound.

Sultans in Action

Brett shows good Sultan form.

Clancy Davidson-Senior (Guard) Clancy has provided the team with great desire and attitude. Clancy adds a great deal to the Sultan's hardhitting games.

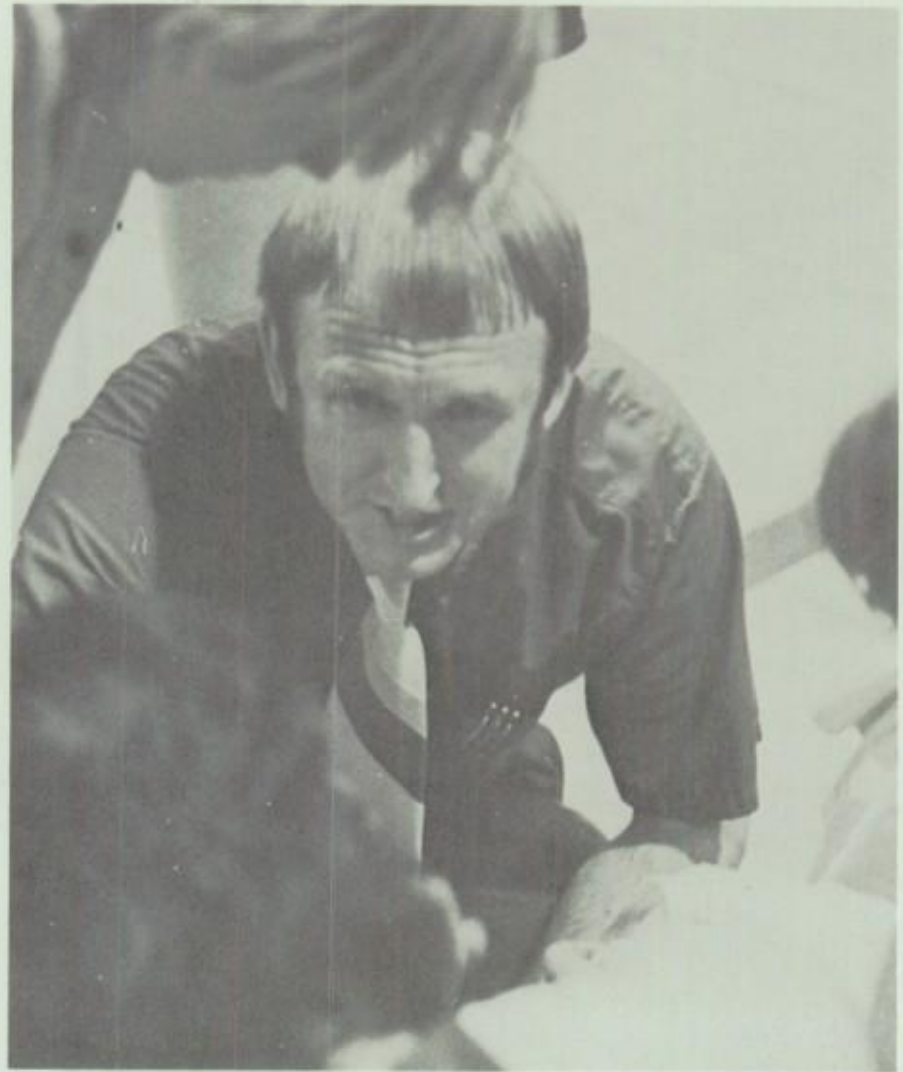

During time-outs the team and coaches meet to get things together.

Doug and Clancy instruct a dumbfounded Matador in the rules of the game.

Action was the name of the game this year. The Sultans pursued their opponents in every area. What the team lacked in height it made up in fantastic ballhandling. Santana was tied with El Cap for third place until the Helix game. The game was a very important one and vital to the Sultans if they wanted to go CIF. Helix's great height made it difficult for the Sultans to use the fast break and even our shooting was made difficult.

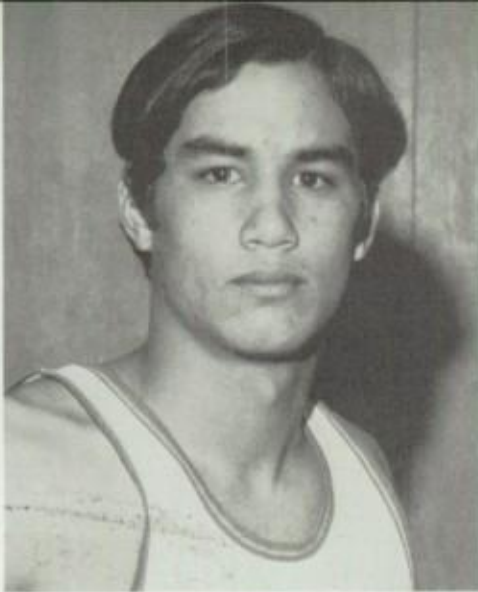

The Varsity squad finished the season with eight wins and six losses, giving them a fourth place in the Grossmont League. But with the help of some strong upcoming J.V. players, the Sultans hope to have an even stronger team next year.

Special credit should be given to those individuals who placed in CIF. Dennis Atilas took a second, Joe Whipple a third and Jeff Sharp a fourth. "A" Team Sets The Pace

This year's track teams are composed of both experienced returning runners and new freshman runners. We have three outstanding coaches instructing in separate areas. Coach Hunter works strictly with the sprinters and hurdlers. Coach Keefer works with the high jump, long jump, triple jump and also the pole vault. Coach Herzog does a fantastic job instructing the shot put, discus and also long distance runners.

Santana's 440 relay team, which is one of the fastest in the Grossmont League, and our four outstanding long jumpers, should provide some good material for the CIF finals. Two young men to watch out for this season are Mike Neal, who runs the 100 in 10.4, and Gary Holmes, who does the long jump some twenty-one feet. The '72 season looks promising for the Sultans. A lot of hard work and pride goes into our teams and both of these qualities produce winning teams.

Steve stretches for the best possible throw.

Arnold uses all his strength for the shot put.

Jerry has the Sultan determination.

Holmes digs in for a good 20ft. jump.

Golfers Seek Fourth League Title

Santana is again honored with an outstanding golf team this year. They are led by seniors Geoff Hinkle and Mike Sisk who were both all league selection from last year. John Ross, Paul Ferguson and Tom Hunter are also shooting low scores for the team. Steve Brombach, Adrian Perraiz and Bob Whittemoore are trading off at the sixth spot to make a good strong team. The Sultans golf team has never placed lower than a second in its history and has won the league three of the last four seasons. This year the team plans for another league win.
